

For more than a century, Tohoku University has been consistently ranked amongst the top academic institutions in Japan. Its research achievements and contributions, coupled with its wide network of collaborative partners, led to it being one of the first institutions to be conferred the status of a Designated National University by the Japanese government in June 2017

Teiji Tominaga Vice President, Tohoku University Director, Tohoku Univ. Hospital Professor, Tohoku Univ. Graduate School of Medicine

President, The Japan Neurosurgical Society

## ■Education

M.D., 1982, Tohoku University School of Medicine, Sendai, Miyagi, Japan

Ph.D., 1989, Tohoku University Graduate School of Medicine, Sendai, Miyagi, Japan

## ■Career summary

Professor, Department of Neurosurgery, Tohoku University Graduate School of Medicine, 2003

Vice Director, Tohoku University Hospital, 2015

Director, Tohoku University Hospital, 2019

Vice President, Tohoku University, 2019

■Professional Association

President, The Japan Neurosurgical Society

■Research

Neurosurgical Fields;

cerebrovascular diseases, brain tumors, etc.

■Languages

Japanese/English

■Publications

"Intravenously Transplanted Human Multilineage-Differentiating Stress-Enduring Cells Afford Brain Repair in a Mouse Lacunar Stroke Model", Stroke, 2020
