Changes regarding Accounts for Automatic Payment of Tuition Fees

Thank you for your cooperation regarding tuition payments.

As of the first term of the 2017 academic year, the below changes will be made regarding accounts used for automatic tuition payments.

Date of Automatic Tuition Payment

Current:

Around 25th of
each month

First term of AY 2017 onward:

23rd of each month
(or next business day if falling
on a holiday)

Notes

Previously, only 77Bank and Mizuho Bank accounts could be used for automatic tuition payments. However, starting second term AY 2017, automatic payment will be possible for almost all financial institutions in Japan.

If you wish to change the account used for tuition payments, please check the Tohoku University website in April 2017 or later for instructions.
