

CHANCE TO BE INVITED TO TOHOKU UNIVERSITY!

**CREATE 3-MINUTE-VIDEO TO SHOW YOUR IDEAS TO
IMPROVE OUR SOCIETY IN A SUSTAINABLE WAY**

Future Global Leadership (FGL) program aims to develop future leaders who aspire to identify and solve problems in the world through technology and innovation. We invite you to submit your idea to improve our society through sustainable and environmentally friendly development. You may refer to SDGs (Sustainable Development Goals) by UN.

Timeline

This challenge is organized by **Global Learning Center of Tohoku University** in collaboration with Foreign Trade University in Hanoi for **high school students in Hanoi***. For the details about the challenge, please visit the GLC website: <http://www.insc.tohoku.ac.jp/english/>
